

Welcome to TeacherExchange

The site designed to build a teaching community allowing teachers to trade resources and profit from their work! Buy and sell lesson plans, schemes of work and high quality resources.

Features

- Many Teaching Community features - submit articles, blogs, find friends, use forums
- Instant downloads of teacher lesson plans / resources / SoW's
- Many free items to download
- Free to join!
- No insertion fees to upload your work
- No transaction fees to sell your work
- Only a small % of sale fee – you don't pay anything unless you sell!
- Rate items to give feedback and build the community
